ORC CERTIFICATES IN ELECTRONIC FORMAT

PROPOSAL

Make official ORC Certificates valid in electronic format in the ORC Database.

RATIONALE

ORC Certificate copies are available in Sailor Services and scoring data is available through the RMS file or ORC Scoring software. Therefore, there is no need for an official hard copy of a printed certificate issued by a Rating Office. Each valid certificate can be made available in electronic format and regarded as being valid in the ORC Database.
