20th June 2023

Dear Sirs,

The 2023 ORC Annual General Meeting (AGM) will take place in Hamilton, Bermuda from **10th – 14th November 2023**. Complete schedule and accommodation details are already posted on the ORC's website at <https://orc.org/agm-2023-2>.

During the AGM, ORC and its committees will discuss all submissions for rule changes received from the ORC member national authorities.

All submissions must be sent by the ORC Nominating Bodies before **4th September 2023**. The easiest way to do this is to use the on-line submission form at <https://orc.org/organization/about/agm-submission-form>. The submission title, any rules concerned, the proposal and rationale can easily be entered in the form. Submissions may also be sent by e-mail to: secretariat@orc.org. Only those submissions coming from recognized bodies will be taken into consideration.

Once all submissions are received the Management Committee will allocate them to the appropriate committees. Submissions with Committee allocation will then be posted on the ORC's website as soon as possible after allocation. This page will also have Committee agendas posted once received from the respective chairmen.

We will keep you informed about further preparations for the 2023 AGM.

Best regards

Bruno Finzi
ORC Chairman
