# THE CLUB CIRCOLO VELA TORBOLE

# ABOUT THE CLUB

## SINCE 1964

Our Club has a long and important history in Torbole, on the Garda lake, starting since **June 1964**.

## 2018

In 2018 (and again in 2021) The Club has been entirely renovated and modernized with the aim of making available many new services for our members and our guests.

As a matter of fact the club is provided with:

- **3 floating docks, 2 ramps, 2 cranes**, with respectively 2000 kg and 5000 kg as maximum load and the possibility to bring one mobile-crane.
- An entirely parking is dedicated to trailers, just 1500 meters from the club

For every eventuality, necessity or problem there is an equipped storage room, where you may find everything when needed

# NEW DOCK

**Our new dock is ready to accomodate more than 40 boats**

## FACILITIES AND RACING AREAS

Circolo Vela Torbole will provide a perfect balance of facilities and racing areas.

The 2 areas provide an "open" championship race course and not a one sided, Top end wind speeds are really strong, like in case of Ora wind

# REGATTAS

- Off shore regatta
  - Melges 24, SB20, Soling, UFO22, Tempest, Dolphin81, H22

# EXPERIENCE GARDA LAKE

"The Warm breeze accelerates as you get closer to the cliffs, you look around in awe at the scenery and ask yourself, is this the best place to sail in the world?"

Blowing from the South, the Ora is the most famous wind in Upper Garda, well known by surfers and sailors from all over the world. It alternates with Pelèr (northern morning wind), blowing from 12/1 pm, until sunset. This typical wind achieves its maximum intensity in Upper Garda thanks to the orographic conformation of the territory which causes the Venturi effect which intensifies its wind force to over 10m/s.

# FACILITIES OF CIRCOLO VELA TORBOLE

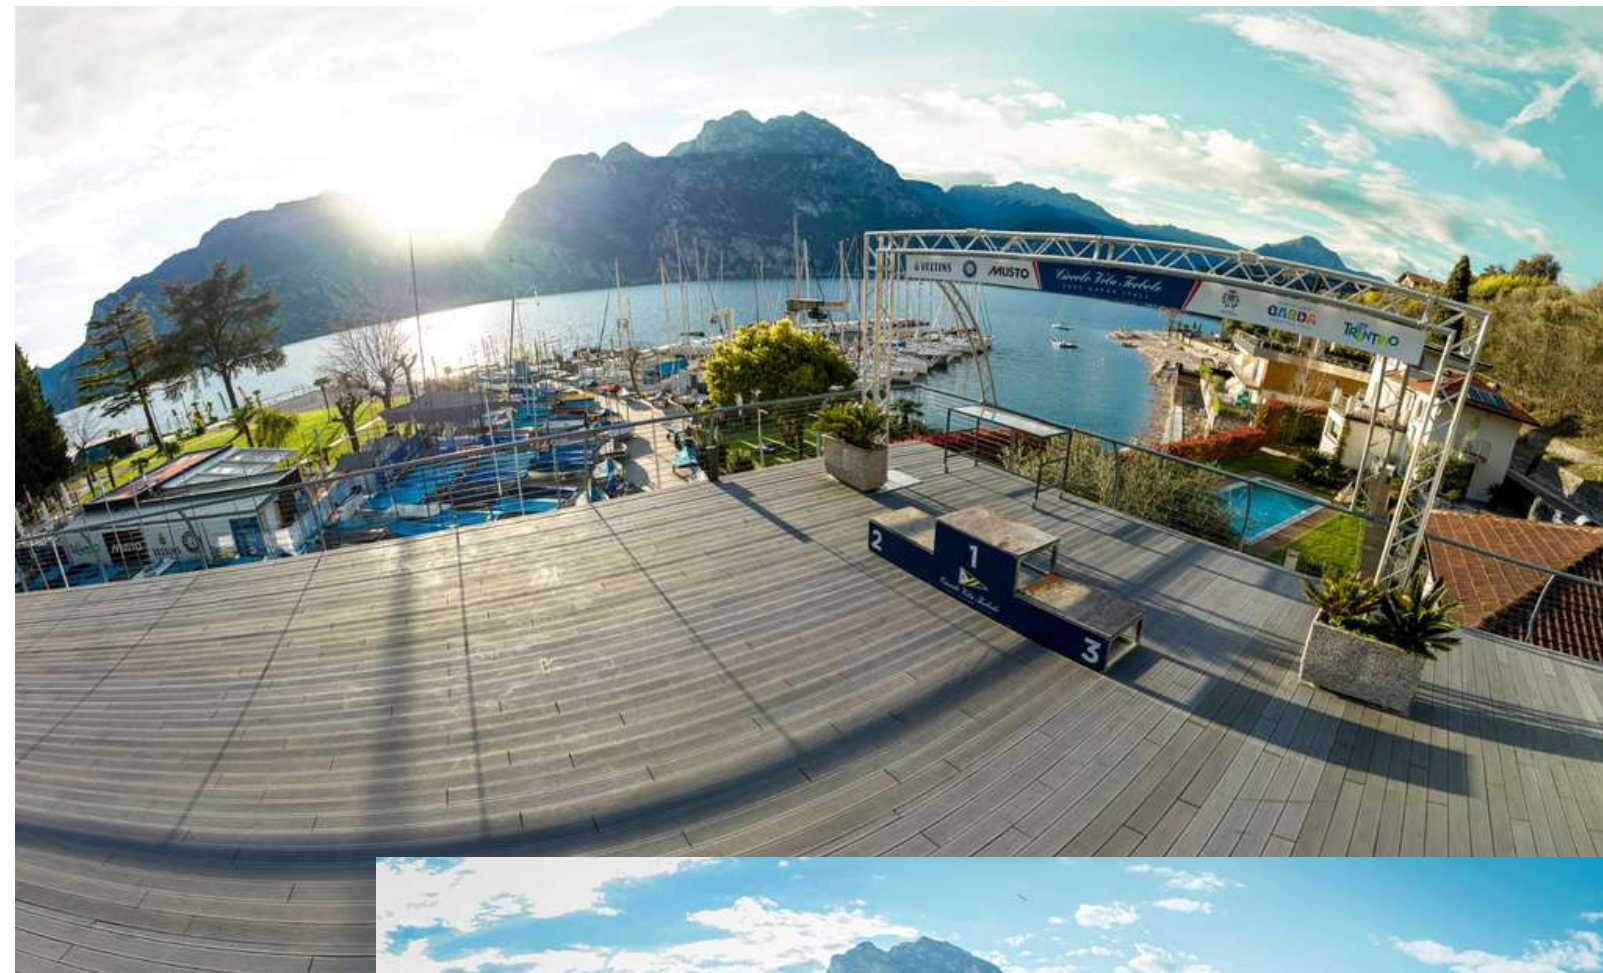

The Club has excellent facilities on shore a beach, beach bars for partners and families to view the racing. The Club has an excellent reputation for race management, and social events. Circolo Vela Torbole has also hosted world-class regattas already, including Club's experience with the Finn Masters (355 boats in 2016), Contender European Championship in 2018 and Tempest World Championship - in 2021, Europa Cup Ilca, Sunfish worlds(2022), B14 and MUSTO Skiff worlds 2023.

Circolo Vela Torbole looks forward to welcome I14 worlds and Youth World Championship in 2024
